associate™ laminates

While we are pleased to offer advice, we cannot guarantee the finishing results or accept liability for it. All information is provided in good faith but without warranty expressed or implied. The liability of the company is limited for replacement of defective goods (manufacturing defects) only. It is therefore necessary that prior to any commercial use you should conduct your own tests to evaluate efficacy of the product under the particular condition for its intended use. **WARRANTY:** Associate warrants that all its products are free from manufacturing defects and perfectly fit for use under normal conditions. In case of any claims the liability of the company however is limited to cost of the product only.

NOTE: The samples shown here are only indicative of the colour / design / decor patterns and texture available.

All designs available in this catalogue are also available in Associate Pre-laminated particlebords (MFC) in the 8' x 4' size, (and selected design in 8' x 6' and 9' x 6') thickness from 6mm to 40mm, and in Associate flexible post-forming Laminates (FX Grade).

Associate Décor Limited

ASSOCIATE DÉCOR LIMITED

Associate Décor Limited (ADL) is a joint venture of the Associate Group and Kings Wood, Bengaluru. ADL currently manufactures premium decorative laminates and the most advanced and intelligent plain and pre-laminated particleboards in India. Future plans involve expanding the product offering to include veneers, MDF and flooring. Associate Décor Limited mainly operates in the panel products space catering to both Indian and International markets.

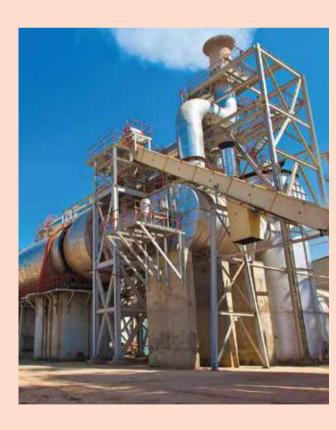

ADL's bouquet of brands caters to every need - from partitions for a swanky office to surfaces for a personal wardrobe. And with perfect integration and management at the manufacturing end, the spectrum of choice is the widest you will find in each and every product range. Associate's brands are an architect's inspiration, an OEM's quality delight and an end customer's trustworthy choice.

ASSOCIATE GROUP

Associate Group is a diversified conglomerate with business footprints in industries ranging from timber and panel products to infrastructure and high-pressure gas cylinders. The Group's diverse businesses primarily cater to the requirements of the real estate, construction, infrastructure development and the automobile industry domains. Its operations in the wood and timber businesses are currently spread across 4 continents and 14 countries making it among the largest operators in this industry.

KINGS WOOD SUPPLIERS

Kings Wood, based in Bengaluru, started its business for the supply of pulpwood in 1989 and has grown consistently since. Kings Wood is the market leader in the pulp wood supply business in South India, catering to the biggest names in the pulp & paper industries and pulp business including Grasim, West Coast Paper and BILT. Their large wood bank and widespread network of 28 wood collection depots add to their strong supply stability. Kings Wood is passionate about outstanding product quality, dedicated processes and committed relationships.

ASSOCIATE GENERAL PURPOSE LAMINATES

General Purpose Grade is manufactured for application to interior horizontal and vertical surfaces where decorative surfaces require resistance to wear, impact and stains. Horizontal applications include surfaces of counters, table tops, residential and commercial furniture, case goods and store fixtures. Vertical applications include wall panels, interior doors and cabinets.

ASSOCIATE POST FORMING LAMINATES

These laminates have an added flexibility and malleability and are ideal for application on shutters, counter tops, furniture tops etc. Post Forming Laminates also add functionality to the ambience. It prevents water seepage in crevices and moisture retention.

ASSOCIATE COLOR CORE LAMINATES

Color Core, with its solid color throughout is ideal for use in high traffic areas, offering vast potential for innovative and stylish interiors. Applications such as counters, reception desks and furniture can be enhanced with special inlay effects and sharp edging details. Also, it avoids black edges!

ASSOCIATE DOOR SIZE LAMINATES

The Door Size laminates are produced in 3'x7' size to reduce wastage and labor at site.

ASSOCIATE PARTICLEBOARDS

Particleboard, also known as chipboard, is an engineered wood product manufactured from wood chips, sawmill shavings, or even sawdust, and a synthetic resin or other suitable binder, which is pressed and extruded.

ASSOCIATE MELAMINE FACED CHIPBOARDS

MFC is also known as Pre-laminated Particleboards. An MFC is made using particleboards or chipboards that are covered on the surface using melamine impregnated decorative papers, pressed under heat and pressure. This gives the board a decorative look and feel.

ASSOCIATE MELAMINE FACED MEDIUM DENSITY FIBRE BOARDS

An MFM is made using MDF boards that are covered on the surface using melamine impregnated decorative papers, pressed under heat and pressure. This gives the board a decorative look and feel.

ASSOCIATE EDGEBANDS

Edge Banding is the name of both a process and an associated narrow strip of material used to create durable and aesthetically pleasing trim edges during finish carpentry. Edge banding is used to cover the exposed sides of materials such as plywood, particleboard or MDF, increasing durability and giving the appearance of a solid or more valuable material. Associate Edgebands are made of PVC.

ASSOCIATE CHALK & MARKER GRADE LAMINATES

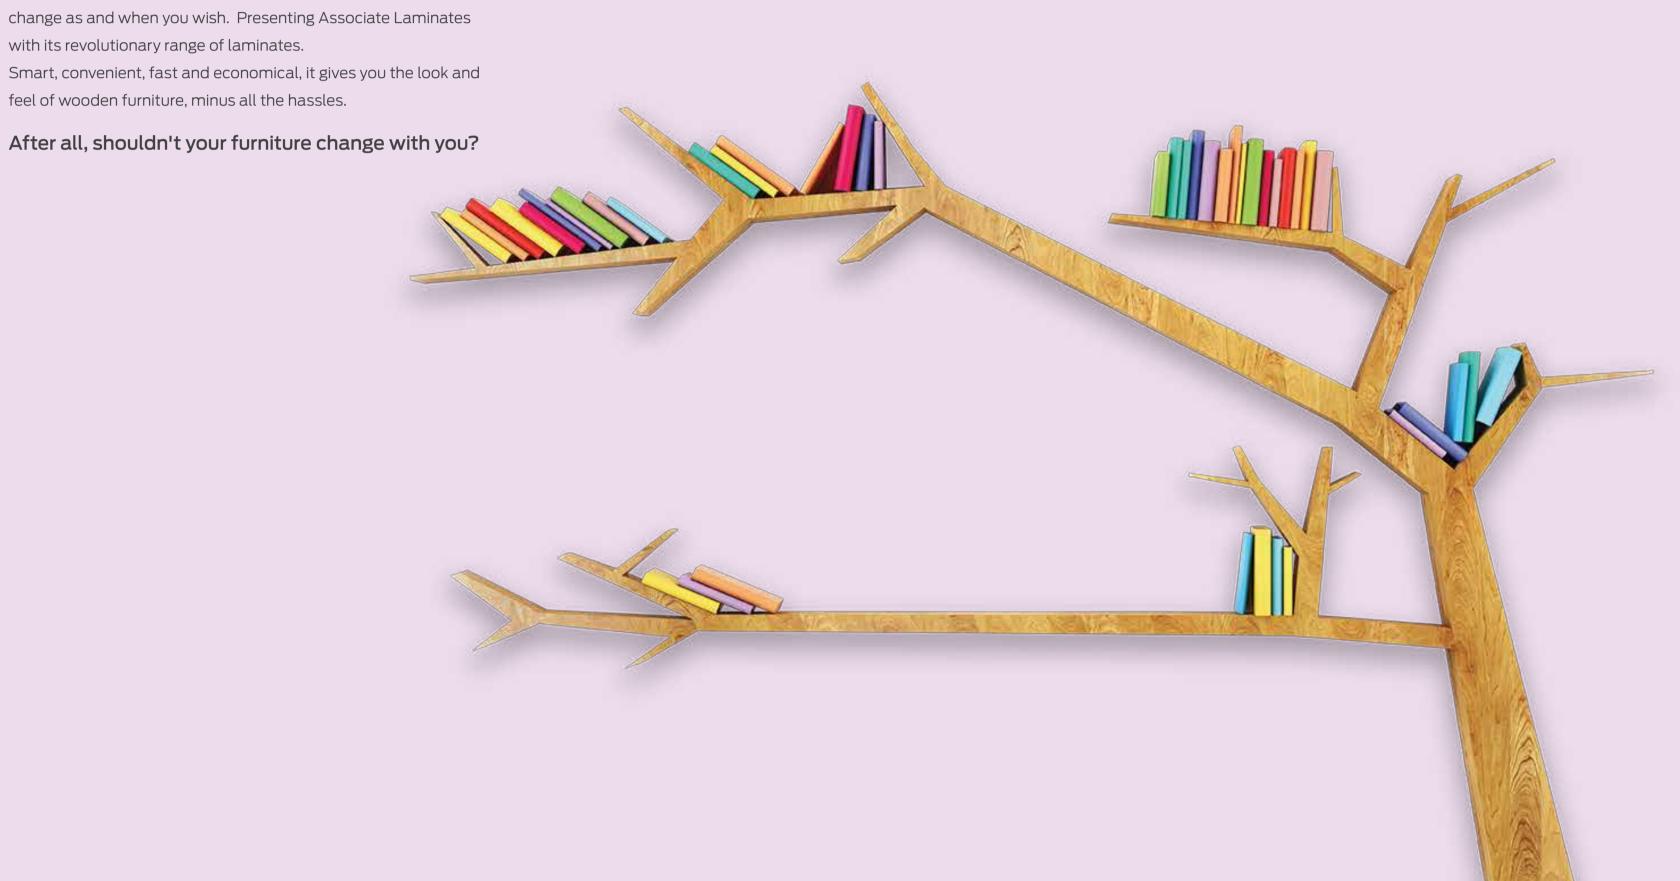

Chalk and Marker boards are two premium ranges of laminates available in a variety of colors. White chalk simply flows on a chalk board whereas marker board is fit for markers. Once wiped, these laminates turn spotless and live much longer than the traditional boards in schools and corporate houses.

ASSOCIATE COMPACT LAMINATES

Compact laminates are a high performance material used for Restroom Cubicles, Partitions, Lockers, Worktops, Kid's Furniture, Lab & School Furniture. These laminates have a decorative face on both sides and are ideal for interior use.

Imagine a world where getting a piece of furniture was so tedious that changing your taste in a cupboard would be considered a sin. Whether you fall out of love with your existing furniture, or appearances demand a change, you should have the freedom to change as and when you wish. Presenting Associate Laminates with its revolutionary range of laminates.

7 UNIQUE TRAITS OF ASSOCIATE LAMINATES

We've lined up a great collection for your selection. But don't just go by what you see, occasionally, close your eyes and feel the difference.

WORRY FREE WALLS

Associate Laminates make a great replacement for paint. They are also super-easy to clean, stain-resistant and waterproof. They don't just cover your walls with beautiful designs; they also free you from worry about dirt, stains, water or chipping.

1

PRIDE & POPULARITY

Having Associate Laminates on your furniture and wall surfaces marks your out for a connoisseur. When even the simplest coffee-table looks like a designer European import, you're sure to become the next talk-of-the-town: the art collector with the gorgeous home!

2

FRESH & FASHIONABLE

Associate Laminates are made using 100% European Designs & Textures sourced by our expert team of interior designers and trend-forecasters. The team puts together collections, that are trendy and fresh; designs with the latest colours; and textures that have never been seen before. Which means, the catalogue you're about to browse showcases the very best and the latest in surface décor fashion across continents!

3

EVERYTHING FOR EVERYONE!

Associate Laminates designs are inspired by sensational colours from nature, shining metal sheens, textile fabrics, avant garde design trends, luxurious and lavish tastes and timeless exotic woods. Whatever the space, style or usage, you're sure to find an Associate Laminate that's just perfect.

4

FORTIFYING FURNITURE

Associate Laminates not only make your furniture look great, they also provide an extra layer of protection. Being 100% borer-proof, termite-proof and fungus-proof, the laminate shields your furniture from almost all wood-pests. Also, our waterproof and scratch-resistant surfaces ensure that your furniture looks better and lives longer!

SAFETY & SAVINGS

Associate Laminates are all about design, quality and safety. Our laminates are available in a range of variants like our Anti-Bacterial Laminates, which are perfect for dining tables, kids room, kitchens and more, and Fire-retardant and Marine Grade Laminates, which are ideal for surfaces for restaurants, cinemas and home kitchens. Our products are manufactured using the most eco-friendly techniques to avoid chemical and fume emissions. And, not least, our optimal sizes and streamlined production processes ensure minimal wastage and more savings for you.

6

UNIVERSALLY USABLE

Think of almost any interior surface and we'll have an exclusive, specialized laminate for it. Associate Laminates offers functional variants like Door Special Laminates, Switchboard Panel Laminates, Compact Laminates, Chalk & Marker Grade Laminates, Edge-banding Laminates, Post-forming Laminates and many more that can be readily used on any surface you need. Also, our products are designed to make application almost effortless. Any carpenter can easily and quickly jazz up your home with Associate Laminates!
